## Employee Benefits

### Mortgage Advice service through

### SPF *Dubai* UAE

Given the importance of financial wellbeing, it has become clear that providing a mortgage advice service in the workplace, is becoming increasingly popular amongst employers.

Award-winning mortgage brokerage, SPF Private Clients (SPF), are experts in all areas of property finance and are now operational in Dubai, UAE. We are delighted to be working in partnership with a number of companies in the UAE and look forward to working with other companies, such as your own.

We offer complimentary, one-to-one mortgage advice sessions at your premises, as well as informative events, all without any cost, risk, or additional workload for your company. The service we provide can help alleviate financial stress among your employees. This not only promotes productivity, but also contributes to a happier workforce.

With full access to all the mortgage products on the market, we take care of the mortgage transaction from start to completion. We liaise with all parties involved and have the ability to act swiftly when time is of the essence.

As experts in supporting the employees of our corporate partners, we take great pride in our exceptional customer service. Our dedicated mortgage advisers focus on delivering a service-driven approach to all employee interactions, ensuring we maintain a standard of excellence.

Our mortgage advisers here in Dubai would be delighted to provide expert advice to your employees, reviewing their existing mortgage arrangements and discussing any future requirements they may have.

**We look forward to speaking with you!**

**We offer expert advice across a wide range of scenarios, including:**

- ✓ Buying your first home
- ✓ Moving home
- ✓ Securing a new rate (Remortgaging)
- ✓ Investment mortgages
- ✓ Large mortgages
- ✓ New-build mortgages
- ✓ Complex income (partners, self-employed/contractors)

**We can advise residents and non-residents.**

**Incorporate SPF's award-winning mortgage advice service into your Employee Benefits offering, at no cost to your business.**
